House Bill 1043, approved by the 2004 General Assembly, establishes policy regarding state government outsourcing.

By virtue of the authority granted to me by Article V of the Constitution of Virginia and by Chapter 1 of Section 2.2 of the Code of Virginia, and to accomplish the purposes of this act, I hereby direct the Secretaries of Administration, Finance, and Technology to (i) develop a methodology for updating the inventory of commercial activities previously developed by the Commonwealth Competition Council; (ii) provide guidance in determining functions that should be performed by state employees because they are inherently governmental in nature, and those that may be suitable for cost comparison analyses; (iii) determine which commercial activities are suitable for consideration for outsourcing at the agency level and which should be the subject of enterprise-wide approaches; (iv) provide guidance to agencies and institutions in making realistic and fair cost comparisons for contracting with the private sector; and (v) recommend such other actions as may be necessary and appropriate to procure the services, and develop the reports provided for in the third enactment of House Bill 1043.

This Executive Directive shall be effective immediately upon its signing and shall remain in full force and effect unless amended or rescinded by further Executive Directive.

Given under my hand this 30th day of June 2004.
